Shipping Information

Shipping costs for orders from us depend upon the method and option you choose.

If you choose to group items into as few shipments as possible, you'll be charged for one regular per-shipment fee, as well as a per-item fee for each item in that shipment.

If you choose to ship items as soon as they become available, we'll charge you full per-shipment fees for each shipment as well as a per-item fee for each item.

ITAR Disclaimer

Shipping Policy information

International Traffic in Arms Regulations Sunstone has no control over, or knowledge of, your particular use of its printed circuit boards and other products. Sunstone's products may be subject to the International Traffic in Arms Regulations ("ITAR"), administered by the U.S. Department of State. By ordering or purchasing products from Sunstone, you agree to comply with Sunstone's privacy policy, and all applicable U.S. export control laws and regulations, including without limitation ITAR. Without limiting the foregoing, you agree that you will not transfer any export-controlled item to any foreign persons without the authority of an export license, agreement, or applicable exemption or exception, from proper government authorities. If you are engaged in the business of either exporting or manufacturing defense articles or furnishing defense services, you represent and warrant to Sunstone that you are registered with the proper government authorities in accordance with ITAR and other applicable laws. You will be liable for all liabilities and expenses associated with your compliance and non-compliance with this paragraph, and you agree to indemnify Sunstone from all costs and expenses associated with third party claims arising out of your non-compliance. ITAR compliant manufacturing services may be completed by a trusted manufacturing partner. All data and product will be handled with compliance to the ITAR initiative by all parties involved with the process.
